

“In Houses (Masjids), which Allah (swt) has ordered to be raised, in them His Name is Glorified in the mornings and the evenings”

Al Qur'an 24:3

Our vision is simple to build a beacon centre in Coppice, Oldham. One which the Muslim and wider community can be proud of, a centre whose light permeates it's locality, serving the education, social and welfare needs of all those who enter it's doors.

The new centre will also hold more events, run additional projects and give even more of our congregation the opportunity to volunteer and carry out good works. By enabling our youth to learn more about their faith, we will be building the foundations for a stronger future by inspiring the next generation to become teachers of tomorrow.

Our vision for the masjid is to:

- Build a multipurpose centre for all
- Provide an inspiration for our future generations
- Promote greater community cohesion
- Create a modern centre for families and social activities
- Provide better facilities for ladies and our youth

We ask for your help to realise this ambitious project for the community.

Donate to this worthy cause and you will be building more than a Masjid. By investing in the community's future you are investing in your future. And by giving this Sadaqah Jariyah (continuous charity) your gift will multiply through the good work we deliver from within our walls.
